Bereket Engida

Software Developer

PERSONAL DETAILS

Full Name: Bereket Engida
Date of Birth: Jun 22 2001
Nationality: Ethiopian

Address: Addis Ababa, Ethopia
Phone: +2519 42589049
Email: bekacru@gmail.com

PROFESSIONAL SUMMARY

I am a software developer based in Addis Ababa, specializing in security and authentication within the JavaScript ecosystem. Passionate about building digital solutions, I create innovative tools and solve real-world problems through code.

I'm the creator of Better Auth, an open-source authentication framework for TypeScript, and Loglib, privacy first open source web analytics platform. I have extensive experience in different parts of development and have contributed to open source, enterprise and governmental projects.

PROFESSIONAL EXPERIENCE
